INVITATION

Dear Sir/Madam,

The International horse breeding academy named after Aba Annayev on 28 November 2026, will hold the II International Internet Olympiad "International Peace and Trust – the Foundation of Economic Development", and we have the honor to invite students of your higher educational institution to take part in this Olympiad.

We firmly believe that holding this II International Internet Olympiad will contribute to strengthening friendly relations between students and professors of universities from different countries, broadening their economic outlook, and providing opportunities for the exchange of scientific information, knowledge, and ideas aimed at promoting international cooperation and mutual understanding.

The Olympiad covers the following disciplines: Macroeconomics, World Economy, Circular Economy and International Economic Relations.

Participant registration is available on the official website of the Academy: **ihba.edu.tm/anket/**. After registering one-time use login and password intended for the participants by the organizing committee will be sent to the participant's registered email address on the day of the Olympiad.

Additional information, announcements and regulations of the Olympiad are available on the official website of the Academy (**www.ihba.edu.tm**) in the section "Olympiad-2026."
